#### Brief Description of Arguments to be Presented:

Need to understand correspondence of claim elements to cited reference. If textual read-only fields correspond to first set of labeled fields, then not understood how entry in one of those fields determines which of the second subset is allowed to accept data or what format is selected for the generated file. If blank spaces correspond to the second set of labeled fields, then not understood how the generated file can contain data fields filled with the second data.

An interview was conducted on the above-identified application on \_\_\_\_\_.

**NOTE:** This form should be completed by applicant and submitted to the examiner in advance of the interview (see MPEP § 713.01).

This application will not be delayed from issue because of applicant's failure to submit a written record of this interview. Therefore, applicant is advised to file a statement of the substance of this interview (37 CFR 1.133(b)) as soon as possible.
